

Student-led NGO T.E.A.M Partnered with Jaipur Foot for a in “Gift A Foot”

May 2, 2022

Mumbai: T.E.A.M, a student-led NGO started in 2015. This year, along with 11 students from various schools, they organised an iconic prosthetic limb donation drive in their new initiative, “Gift a Foot” for over 100 people from various parts of Maharashtra. T.E.A.M joined hands with Jaipur Foot and Bhagwan Mahaveer Vikalakhya (an organisation for the disabled) to enable this noble cause at the Orthopaedic Department at KEM Hospital.

An eye-watering moment, was when over 150 people gathered at the hospital. One man, who had a crippled leg and walked out with joy and hope of a better future with a prosthetic limb. Arrangements for these people were also covered under this donation drive.

Patients come with the question if they will ever be able to walk or not. The team motivates them to have a new limb and teaches them to use the prosthetic limb. With the help of the team, patients can comfortably do their chores for over 10 hours a day. The cost of the prosthetic limb is around 10,000/- and the members of T.E.A.M raised approximately INR 14 Lakhs to facilitate these disabilities.

Squatting is a very integral part of life, especially in rural areas. Day-to-day activities include squatting, one of the most common activities in Indianised toilets in rural areas. This leg is essential to facilitate activities such as squatting for the use of the toilet.

as well as farming activities.

The co-captains for this activity are Arhaan Lulla (Grade 12 from Bombay Scottish School) and S...

Narsee International School). The other praise-worthy students are Rishaan Lulla (Grade 8), Nishha (Grade 11), Aleya Masand (Grade 11), Yuvraj Wadhwani (Grade 11 from Bombay Scottish School), Divya Karnani (Grade 10 from Dhirubhai Ambani International School), Anandi Sanghi (Grade 12 from The Cathedral and John Connon School), and John Connon (Grade 12 from Jamnabai Narsee International School). The current volunteers at T.E.A.M are enabling and providing an initiative and further help more people across the nation.

The T.E.A.M mentorship programme has taken off this year with all founder members mentioning that Raheja, Aditya Shah, Ishana Jasani, Shiv Karnani, Aarav Nichani, and Gayatri Sanghi are the future leaders of universities around the world but take up mentorship to guide the new lot.
